Important Information

Waiting Periods

When you first join see-u or upgrade your cover to include new services, there's a period you'll need to wait before you're able to claim certain services.

If you're transferring from another health fund, any waiting periods you've already served with your previous health fund for the same services will be recognised on an equivalent see-u cover. Please refer to the see-u Member Guide for more information on transferring from another health fund.

This table shows the waiting periods that apply to different services:

There are three Excess levels you can choose from on this product: \$250, \$500 or \$750. The excess applies per person, per calendar year. Excess does not apply to dependant children on a policy.

Out of Pocket Expenses

Please be aware that there are a range of circumstances which may result in you incurring out of pocket expenses, even if the treatment is a service is included in your cover.

We encourage you to call us to discuss your cover, and how to manage out of pocket expenses before you are admitted to hospital.

Other features and benefits

We will pay benefits towards emergency ambulance services if you do not hold a subscription with an ambulance provider, are not eligible for concession, or a free ambulance transport or state ambulance scheme does not provide cover.

This product includes unlimited medically necessary emergency ambulance claims per person on the policy, per calendar year. To find out more, refer to the see-u Member Guide.
